

COLLECTING SUPPLEMENTS FOR RESEARCH

Please follow the steps outlined below for collection and submission of your horse's supplements.

1. Obtain one day's serving of the supplement (i.e. the amount of the supplement that the horse consumes in a day).
2. Place the supplement into a "sandwich" sized bag.
3. Label the bag with the name of the supplement.
4. Label the bag with the name(s) of the horse that receives the supplement and your full name.
5. Include a copy of the manufacturer's ingredient list of the supplement (if available).
6. Include a copy of the manufacturer's guaranteed analysis of the supplement (if available).
7. Repeat steps 1 – 5 for each supplement that your horse(s) receive.
