HOW TO TAKE PHOTOS OF YOUR HORSE

Please follow the steps outlined below for taking photographs of your horse.

1. Take a photo of your horse from the left side.

2. Take a photo of your horse from the right side.

3. Take a photo of your horse’s neck from either side.

4. Take a photo of your horse from the rear / hind end.
5. Title your photo files (after taking the survey) with your Response ID, title of photo, your last name, and the name of the horse in the photo (example: R_1lhONR2AVE1LB4O.Leftside.Bruce.Cookie).

6. Upload each photo to Dropbox.
